Dear Parents,

Firstly I would like to thank you and your children for the warm welcome I have received since arriving Monday. My name is Michéal Ó Riain and I have come from Gaelscoil Mhainistir na Corann. I am a very honest person and I believe it to be an extremely important characteristic to develop a strong relationship between teachers, children and parents of the school.

There will be an open door policy in the school and I would urge anyone with a helpful suggestion or problem big or small to come and discuss the matter with me as soon possible. "A problem shared is a problem halved"

Vision for the school

- To join in and continue with the hard work that has been done already in the school and to help support and extend pupils learning opportunities.
- To create a positive learning atmosphere throughout the school, to ensure that all people in our school community are at ease and feel comfortable around one another.
- To provide a secure environment where children feel valued and where children respect others, their choices and beliefs.

As a parting word it is a great honour, and I am very proud to be the new Principal of Gaelscoil Dhroichead na Banndan. I look forward to meeting and working with all of you in the future.

Mise le meas
